SENSIBLE SAFETY TIPS

- 1 Heed the advice of Cape Town Tourism Visitor Information Centre staff or locals on where to go after dark. Try not to walk alone and take special precautions at lonely lookout points. At night, park in a secure well-lit area.
- 2 Do not allow strangers to assist you in any way at ATMs.

OF AFRICA, AND
I FOUND MYSELF ON
TOP OF THE WORLD.

BE A RESPONSIBLE TRAVELLER

- 1 When driving or hiking, stick to the well-marked paths and roads and make sure to not remove any natural keepsakes such as shells or indigenous flowers.
- 2 Use public transport, hire a bike or walk when it is convenient as it is a great way to meet local people, discover new parts of Cape Town and reduce pollution and carbon emissions.

- 3 Hire a local tour guide and you may discover more about the local culture and invest in the local community at the same time.
- 4 Whilst travelling, make sure to use water sparingly in order to help us avoid shortages and restrictions.

- 5 Try out the different local cuisines and you will taste new delicious dishes, but you will also be supporting the local community.
- 6 Do not miss out on the local craft markets because you can purchase beautiful, hand crafted souvenirs whilst supporting local businesses.
